Easy Switch Kit Guidelines

Step 1:

Open Your New Account

Now that you've made the decision to move, you'll want to gather information you'll need to open your new Bank of Hartington Account. Just follow the steps below to make the Easy Switch, or visit our website at www.bankofhartington.com.

Organize information you will need

Gather your account information and enter it on the Easy Switch Kit Account Information Worksheet – designed specifically for this purpose.

Open your Bank of Hartington Accounts

Once you've gathered together the information for your accounts, any of our Customer Service Representatives will be happy to assist you with your new account opening. To find the nearest location to your home or work, visit our web site at www.bankofhartington.com.

Once your new account is funded, you can begin using your account immediately.

Enroll online for Internet Banking

You can enroll online for Bank of Hartington Internet Banking at www.bankofhartington.com as soon as your new account is open. To add Bill Payment, simply contact us under the About Us tab on our website.

Remember: Don't forget to leave enough funds in your old account to cover any outstanding checks or automatic payments. Our next steps will help you switch any automated payments and direct deposits to your new account.

Step 2:

Transfer Direct Deposits & Automatic Payments

Direct Deposits:

Transfer direct deposits from your employer, retirement plan, interest payments or other source of income, such as Social Security.

We've provided some forms to assist with moving your direct deposits received from various sources:

*Payroll Direct Deposit – Check with your employer to be certain no additional information or specific form is necessary to complete the account change for your payroll direct deposit. (If you currently don't

have direct deposit through your employer, please contact your company's Human Resources Department to see if this benefit is offered to employees.)

*Form SF1199A, U.S. Government Direct Deposit (see attached or on our website under forms) - Use this form to redirect your Social Security, military pay, VA compensation/pension, railroad retirement, etc. to your new account.

You can also use this form to set up one of those government agency payments for the first time.

*Direct Deposit Authorization Form from Other Sources – Use this form for other direct deposits you receive including investments, pension/retirement plans, interest or dividend payments, etc.

Here's a quick checklist of some common direct deposit sources to help you remember to inform the sender about your new account.

Checklist for Direct Deposits Private Sector Payments: Payroll Direct Deposit Retirement / Pension Plan Interest Income Dividends Other Other_____ **Government Payments:** Social Security ____Federal Salary/Military Civilian Pay ____VA Compensation or Pension ___Supplemental Security Income Railroad Retirement Civil Service Retirement __Military Active Military Survivor

Automatic Payments:

You'll need to switch automatic payments set up to charge your checking, savings, debit or credit card to your new Bank of Hartington Account. Use the Automatic Payments Checklist below to make a quick list of payments you have authorized. This is a good time to review your last few monthly bank statements to complete your list of authorized automatic payments. Take into consideration any annual payments that you may have set up as a deduction, as well.

There may be several ways to notify your Payees that you have a new account.

- *Most of your Payees have a form included with the monthly statement for you to enter your new account information.
- *Many Payees provide a customer service number and allow you to provide your new account information by telephone.
- *Many local utilities and vendors have web sites available for you to enter your new bank account information.
- *In case you need it, we've provided a form that you can send to your Payees to notify them that you have changed banks, the Automatic Payment Authorization Form.
